Top Tips for parking, walking and finding our displays- where displays are inside churches, please assume that they will be open between 10am and 4pm.

Shrawardine- 'Meeting Jesus on the road to Emmaus'

Display location: church and churchyard

Parking: in the layby opposite the church and along the lane.

Montford- 'The Ascension'

Display location: in church

Parking: please look out for signs as you approach the church- parking will vary, depending on the access needs of our local farmers. Parking on 27th April will be at Weir Farm (left before the church as you approach from Montford Bridge).

It is possible to walk on footpaths between Montford and Shrawardine churches (about 1.5 miles). From Shrawardine- turn right out of the church gate and follow the road, passing the telephone box on your left. Walk left round the corner and continue along the lane. After going up and then down, the road eventually turns into a rough lane/ bridleway as you pass through a gate. As Montford Farm comes into sight on your right the lane rises. Pass through a gate and will come out by the main gates to Montford church. Starting from Montford- from the big church gates take the rough lane opposite marked 'Severn Way' passing the concrete beet pad on your left and go through the field gate. Follow the lane to Shrawardine.

Bicton- 'Jesus with his friends in the upper room'

Display location: church porch

Parking: along the road, on the same side as church.

Fitz- 'The Great Commission'

Display location: church porch

Parking: in the churchyard itself, either side of the drive. There is reinforcement under the grass, so you won't get stuck!

Leaton- 'The barbecue on the beach'

Display location: churchyard

Parking: the church has an ample car park.

Preston Gubbals- 'The birth of the Church at Pentecost'

Display location: in church

Parking: in the layby, but please be careful not to block the lane- there is only capacity for a few cars at a time. On 27th April, parking is available at The Garden House (by kind permission of Mr and Mrs Nunn).

Albrighton- 'The Good Shepherd'

Display location: church porch

Parking: Albrighton has a car park- turn in opposite the entrance to the Albrighton Hall Hotel (the entrance is signposted 'Monkhouse Granary'), and then turn right immediately and head down the track towards the church.

Battlefield- 'Mary finds the empty tomb'

Display location: in church

Parking: There is a small church car park- take the turning for 1403, and then go straight ahead and follow the lane up to the church. Alternatively, you could park at 1403 and walk across the fields.
